

(gatvè)

A hand-drawn diagram of a structural member, possibly a beam or column, with the following features:

- A vertical line on the left is labeled "3MG".
- Two rectangular sections are attached to the vertical line, each containing a diagonal line from the bottom-left to the top-right.
- A horizontal line extends from the top of the vertical line to a central point.
- From this central point, three lines radiate outwards to the right, labeled with the values 11.37, 7.95, and 6.40.
- These lines terminate at a circle containing the letter "T".
- Behind the "T" circle are two vertical dashed lines.
- To the right of the dashed lines is a box containing a stylized Greek letter Σ .
