(planseto nomenklatura)

1; 2

A hand-drawn sketch map showing a road network. The map includes several roads and landmarks:

- Roads:**
 - PVC160:** A road running vertically at the top, with a distance of 8.42 marked on it.
 - 17.62 KF:** A road running diagonally from the center towards the bottom right.
 - MG:** A road running diagonally from the bottom left towards the center.
- Distances:**
 - 9.90: Distance between a junction and a point on the 17.62 KF road.
 - 4.90: Distance between a junction and a point on the 17.62 KF road.
- Landmarks and Points:**
 - 119:** A point marked with a circle and a cross, located at a junction.
 - 114a:** A point marked with a circle and a cross, located on the 17.62 KF road.
 - MN:** A rectangular area with a cross inside, located near the top right.
 - 7:** A rectangular area with a cross inside, located at the bottom right.
- Other Labels:**
 - Lipynes.....**: A label at the bottom left, possibly indicating a location or road name.
 - (Medžiaga, kietkis)**: A label in parentheses, possibly indicating a material or type of road.
 - Ar yra vandens?**: A question in Lithuanian, "Is there water?"
 - Ar yra dujų?**: A question in Lithuanian, "Is there gas?"
