a) Vertikaliniai:

b) Horizontalis:

The diagram shows a horizontal line with a circle above it. Arrows point downwards from the line at two locations. The line is labeled with '1' at both ends. There are break symbols (two parallel slanted lines) on the line. A vertical line crosses the horizontal line, and a circle is drawn around the intersection. The diagram is labeled with '(1,50)' at the top left and bottom right, and '(10)' at the bottom left and top right.

PRIRIŠIMO BRĖŽINYS:

A hand-drawn sketch of a building layout. The sketch shows a main rectangular structure with a smaller rectangular extension on the right side. The main structure has a width of 16.70 and a depth of 13.40. The extension has a width of 19.65. A north arrow is drawn on the extension, pointing towards the top right, with the letters 'MN' below it. To the left of the main structure, there is a jagged line representing a boundary or road, with the number '946' written next to it. Below the jagged line, there is a rectangular area labeled 'K-335'. The entire sketch is titled 'PRIRIŠIMO BRĖŽINYS:' at the top.
