UKMERGĒS

X=6067216.41 Y=579467.19

Technical drawing of a road intersection showing a roundabout with a central island. The drawing includes dimensions for the island (12m diameter), the roundabout (10.4m diameter), and the approach roads (13.4m and 6.5m). It also shows the location of the intersection relative to the 'Ulmmerg. g.' and '315A' roads. A scale bar indicates 2 MN (meters).
