

The image contains two technical drawings of a manometer. The top drawing is labeled 'Vertikalmanis' (Vertical manometer) and shows a U-shaped tube with a rectangular reservoir at the top. It has two side ports labeled '3' and a bottom port labeled '4'. A small circle at the bottom is labeled '1,2'. The bottom drawing is labeled 'Horizontalmanis' (Horizontal manometer) and shows a circular cross-section of a U-shaped tube. It has two side ports labeled '2' and '4', and a bottom port labeled '3'. A dashed circle indicates the internal structure, and a small circle at the bottom is labeled '1'.
