SASAJOS SCHEMA

A diagram of a rectangular prism with a smaller rectangular prism on top. The base is labeled with '2' on the left and '3' on the right. A dashed line indicates the height of the base is 1 unit.

A diagram of a circular structure. It consists of a solid outer circle and a dashed inner circle. Three labels with leader lines point to different parts: label '1' points to the outer boundary, label '2' points to the inner dashed boundary, and label '3' points to the space between the two boundaries.
