Diagram illustrating a network structure with nodes and connections:

- Node 1 (top) is connected to Node 2 (center) with a value of 7.85.
- Node 3 (right) is connected to Node 2 (center) with a value of 8.30.
- Node 4 (bottom) is connected to Node 2 (center) with a value of 3.10.
- Node 5 (left) is connected to Node 2 (center) with a value of 7.85.

The diagram also includes labels for weights/weights (w/w) and N w/w.
